After Brazil, France, Finland, Japan and New Zealand, ART Grand Prix Belgium is set to hit the track

The Karting Division of ART Grand Prix is continuing in its expansion with the clear goal of securing the best commercial partners available in all the most traditional markets.

We are glad to announce the start of a really important partnership with Bonduel Racing, which will operate as an exclusive official dealer for the ART Grand Prix karts and products in Belgium and Luxembourg. The commercial agreement with Ghislain Bonduel and his company will be paired by an ambitious sporting program.

The team, under the name of ART Grand Prix Belgium, will be lining-up in the Belgian national championships and in the French GPO series. One of the best prospects in the European KF3 panorama, Amaury Bonduel, will be part of the driver line-up in the CIK-FIA World Cup for KF3.
