International Court of Appeal

03/11/2011

The following hearing of the International Court of Appeal took place in Paris on Thursday 27 October 2011:

Appeal lodged by the Automobile Club d'Italia - Commissione Sportiva Automobilistica Italiana (ACI-CSAI) on behalf of the competitor Chiesa Corse s.a.s. (driver Nyck de Vries) against decision n°46 taken by the Panel of Stewards on 3 September 2011 to exclude kart n°1 belonging to the competitor Chiesa Corse s.a.s. from Race 2 of the event run at Genk (Belgium) and counting towards the 2011 CIK-FIA KF1 World Karting Championship

Reminder of the facts

At the CIK-FIA KF1 event held in Genk, the Stewards of the Meeting decided to exclude kart N°1 from race N°2 (driver Nyck de Vries) following an incident involving karts N°1 (driver Nyck de Vries) and N°24 (driver Flavio Camponeschi), kart N°1 having made a contact on the back of kart N°24.

On 5 September 2011, the Automobile Club d'Italia - Commissione Sportiva Automobilistica Italiana appealed this Stewards' decision on behalf of its licence-holder Chiesa Corse s.a.s.

Decision of the International Court of Appeal

The Court, after having heard the parties and examined their submissions, decided to:
- confirm the Contested Decision in that it declared the driver of kart n°1 responsible for the Incident,
- and quash the sanction of exclusion imposed on the driver of kart n°1 and replace it with a 10-second time penalty for the race concerned.

The International Court of Appeal was presided over by Mr Thierry JULLIARD (Switzerland), and included Mr Rui BOTICA SANTOS (Portugal), Mr Michael GRECH (Malta) and Mr Jan STOVICEK (Czech Republic).
