

Press release: 03/2014

Attractive support programs for DKM-champions

In the 2014 season, attractive rewards and support programs await the best placed drivers of the three grade series of the German Kart Championship again. In addition to free of charge registrations and tires, the winners are going to receive invitations to the selection of the ADAC Sports Foundation (DKM/DSKM) for the ADAC Formula Masters and simulator test driving at Van Amersfoort Racing (DJKM).

The German Kart Championship continues to be on the rise. The winners are going to receive the highest amount of rewards in a long time. In all three series (DKM, DSKM and DJKM), this year's winners are going to receive free of charge slick tires for a DMSB-grade for the next season. Additionally, all three overall winners won't have to pay the registration fees for a DMSB-grade the next year.

The best placed German DKM- and DSKM drivers with a DMSB-license (placed among the top three; ages 16-18) are going to receive an invitation to a screening by the ADAC Sports Foundation and a possible support program for the ADAC Formula Masters. At the juniors, the overall winner is going to be invited to a free of charge Formula-simulator test drive at Van Amersfoort Racing.

Overview of the support programs:

(Attachment to the DMSB grade series 2014)

German Kart Championship (DKM – KF):

The best placed (placed among the top three at the Championship) German driver (between 16 and 18 years old) with a DMSB-license at the German Kart Championship 2014 (DKM) is going to receive an invitation to a screening by the ADAC Sports Foundation for the ADAC Formula Masters. In case of acceptance and support through the ADAC Sports Foundation and providing an own budget, the driver is going to gain the possibility of DMSB-support.

In case of a registration for one of the DMSB grade series in 2015, the overall winner of the DKM 2014 is going to receive all slick tires for the 2015 season for free from the DKM-tire provider.

The three best placed drivers on the DKM overall list of rankings 2014 won't have to pay the registration fees if they plan on registering for one of the DMSB grade series in 2015.

German Junior Kart Championship (DJKM – KF – Junior)

The overall winner of the DJKM 2014 is going to receive an invitation to a free of charge test day in a Formula simulator at Van Amersfoort Racing.

In case of a registration for one of the DMSB grade series in 2015, the overall winner of the DJKM 2014 is going to receive all slick tires for the 2015 season for free from the DKM-tire provider.

The three best placed drivers on the DJKM overall list of rankings 2014 won't have to pay the registration fees if they plan on registering for one of the DMSB grade series in 2015.

German Shifter Kart Championship (DSKM – KZ2)

The best placed (placed among the top three at the Championship) German driver (between 16 and 18 years old) with a DMSB-license at the German Shifter Kart Championship 2014 (DSKM – KZ2) is going to receive an invitation to a screening by the ADAC Sports Foundation for the ADAC Formula Masters. In case of acceptance and support through the ADAC Sports Foundation and providing an own budget, the driver is going to gain the possibility of DMSB-support.

In case of a registration for one of the DMSB grade series in 2015, the overall winner of the DSKM 2014 is going to receive all slick tires for the 2015 season for free from the DKM-tire provider.

The three best placed drivers on the DSKM overall list of rankings 2014 won't have to pay the registration fees if they plan on registering for one of the DMSB grade series in 2015.
