

## **IVAN GRIGORIEV SET FOR A FULL SEASON COMMITMENT WITH DR RACING KART TEAM AND THE iFAST MANAGEMENT SUPPORT**

**RUSSIAN DRIVER TO FACE THIS WEEKEND THE WSK CHAMPIONS CUP AT THE ADRIA RACEWAY**

Rome, 3rd February 2016. It will be a very intensive season for **Ivan Grigoriev**, the one that is going to kick off this weekend on the 1302 meters of the **Adria Karting Raceway** track, for the **WSK Champions Cup**.

The young Russian driver, who finished third overall last year in the Italian ACI Karting Championship racing in the KF Junior class, has extended his commitment in the category - since 2016 renamed OK Junior - with the **DR Racing Kart** team.

With the **Danilo Rossi's** squad, under the **iFAST Management** banner, Grigoriev will enter all the rounds of the European championship and WSK series, starting from the race scheduled on Saturday and Sunday on the same track where he scored last June the first out of two brilliant victories in the Italian championship. The 2015 season ended for Grigoriev with another win at Siena, where he gained more points and the podium finish in the overall standings.

DR Racing Kart team and iFAST Management trust deeply in Grigoriev, aiming again together to a top result. This weekend round will be the first important test bench of the year, looking forward a sensational season.
