

## Stadsbader on the attack in Adria

The Belgian driver will start the second part of the season at the Adria Karting Raceway. This will be the first race of the "summer" sprint, which will continue at Le Mans on the occasion of the last act of the FIA Karting European Championship.

Gilles Stadsbader, Forza Racing (Exprit / TM): «I can't wait to get back on track. After a period off, I'm really impatient to facing the challenge in Adria; a circuit that I appreciate a lot. The race will be at night and this will make it all the more fascinating».

The event will officially start on Thursday with qualifying, which will leave space for Friday to the heats and Saturday the Prefinal and Final. The whole program was set one day earlier than usual.
