

## Stadsbader ready to return to the wheel in Adria

An unexpected stop and a long period at home did not put an end to Gilles Stadsbader's desire to race. After the Covid-19 lockdown, the Belgian is ready to return to the track in the long week leading to the conclusion of the WSK Super Master Series.

The last two Super Master Series events will take place in Adria from June 29<sup>th</sup> to July 5<sup>th</sup> in one of the most intense weeks that karting has ever experienced. Stadsbader will be at the starting line with Forza Racing team in the OK Senior class.

**Gilles Stadsbader, Forza Racing (Exprit/TM):** *“It'll be a race full of meaning. Motorsport has never stopped for so long, let alone for such a tragic reason. The desire to get back on track is a lot, especially on a winding track like Adria”.*

The competitive activities will start on Monday 29 with the official tests. Following, alternately, Official, Heats, Pre-finals and Finals of the two rounds of the Super Master Series.
