

Braeken's back in Junior this weekend!

After the appearance at the Rotax MAX Challenge International Trophy in Mini MAX category, Tom Braeken came back to Junior MAX to continue in his training program with the 125cc engine.

Braeken this weekend will be at the Karting Genk: The Home of Champions to take part in the last act of the Belgian MAX Challenge.

Unlike his opponents, Tom is not in the fight for a Grand Finals ticket and it means that he can continue in his training program without the stress of victory.

Tom Braeken, SP Motorsport: «I really can't wait to be back at the wheel of my KR in a racing weekend. I enjoyed racing in Mini a lot, but it's now the time to shift my focus back to the Junior.»

The event will officially start in Saturday.
