

Tom Braeken ready for the BNL season finale

Tom Braeken will be back at the wheel this weekend at the Home of Champions of Genk in the BNL Karting Series round finale.

Braeken moved to the Junior MAX category in May and he used the BNL Karting Series as a valid testing ground in sight of his first full Junior season in 2020.

The feeling of Tom with SP Motorsport and the Junior engine is now good, despite it being only his first year with a 125cc engine, and the Belgian feels confident he has reached a good level.

Tom Braeken, SP Motorsport: *«I can't wait for the weekend to start officially. The experience I'm doing the BNL series is very important for me and it's at the base of my future in Junior. I'll do my best to gain something important.»*

The BNL round 3 will start on Saturday 5 October.
