

## Tom Braeken ready for Mariembourg

Tom Braeken will be engaged in the BNL Karting Series round at Mariembourg this weekend.

At the Karting des Fagnes the second act of the series will be staged, while for Braeken it will be the first round of the series in the Junior MAX category.

Together with SP Motorsport, under the watchful eye of Stan Pex, the training program in view of the full-time debut scheduled for next year continues unabated.

**Tom Braeken, SP Motorsport:** *«I can't wait for the weekend to start officially. This period I'm dedicating myself with everything to training on track and outside. I like Junior and I think that the Junior MAX is an extremely formative category for the drivers coming from the 60 Mini.»*

The BNL round 2 will be the first international junior race for Tom Braeken.
