CIK-FIA WORLD CHAMPIONSHIP, EUROPEAN CHAMPIONSHIP AND THE INTERNATIONAL SUPER CUP ON THE WAY: THERE'S A LOT AT STAKE FOR THE KF AND KFJ CATEGORIES. THE EUROPEAN CHAMPIONSHIP IS THE OPENING EVENT, IN JUNE, ON THE SPANISH CIRCUIT OF ALCANIZ.

5 - 23RD APRIL 2013

KF AND KF JUNIOR: OPENING WITH THE EUROPEAN CHAMPIONSHIP.

Next summer will be the ideal setting for the European KF and KF Junior Championships. There are two rounds for each championship in a period of little more than thirty days. The first race is in June, at the circuit of Alcaniz, in Aragon, whereas the champions will get their rewards on the Italian circuit of Ortona. So, it will be a totally Mediterranean challenge, which will take place between Spain and Italy. The championships are reserved to the young drivers of the KF Junior and to the more experienced KF ones, marking an ideal path which leads kart drivers towards the top of motorsport.

WORLD CHAMPIONSHIP AND INTERNATIONAL SUPER CUP ALTERNATED.

The season will reach its peak with the first rounds of the World Championship: KF and KFJ will race alternatively. The single round of both the categories of the CIK-FIA International Super Cup will be run together with the first rounds of the World Championship. The events will start at the beginning of September in the United Kingdom: the KF will race for the first round of the World Championship, while the KF Junior will race for the International Super Cup. The following month the two categories will exchange the titles and, in Sarno (Italy), the KF Junior will race for the first round of the World Championship, while the KF will run for the International Super Cup. Grand final in Bahrain with the second and decisive round of the World Championship for both the categories.
