

Bruno Del Pino is ready for the Winter Cup

Bruno Del Pino warms up his engines ahead of the Winter Cup, which will be staged this weekend at the South Garda Karting in Lonato.

For Del Pino, Lonato will be an important race since it will mark his official debut with the Tony Kart Racing Team.

The Spaniard will run the whole program with the Brescia team, including all the WSK Promotion events, the FIA Karting European Championship and the FIA Karting World Championship.

Bruno Del Pino, Tony Kart Racing Team (Tony Kart/Vortex): *«This will be my first weekend with Tony Kart Racing Team and it's a dream for me to defend these colors. First of all I need to find the best feeling with the team and the people here, then it will be important to do as much experience as possible to stay in front on the track. I'm confident, and I can't wait to start.»*

The Free Practices have already started. Tomorrow is the day of Qualifying Practices, while the Heats are scheduled for Saturday. On Sunday, after the Super Heats, the Final is set to run.
