CRG, MAX VERSTAPPEN "DRIVER FOR THE YEAR" AT THE WSK GRAN GALA'

CGR obtained the highest rewards for season 2013 with Max Verstappen at the WSK Gran Galà. The Dutch driver secured in fact the WSK Euro Series KZ1, the WSK Master Series KZ2 and also the trophy "Driver for the Year". Teams and drivers victorious on CRG chassis have also been awarded as the companies of Tinini Group.

CRG got the full haul once again in the WSK Gran Galà, the prize ceremony of the championships organized by WSK Promotion that closed the 2013 season at the conference room of the Adria International Raceway. A great final applause celebrated CRG's most victorious driver of season 2013, Max Verstappen, who has also been received the very prestigious "Driver of the Year" trophy.

The title of "Driver of the Year" went deservedly to Max Verstappen and the prize has been collected by Nicole Tinini who has been representing CRG and the Dutch driver that could not make it to this event due to a conflicting commitment in the United States.

It has been a very good reward for Max Verstappen's incredible 2013 season that has been impressively full of success. Max Verstappen and CRG managed to put in a streak of record victories earning the victory of the WSK Euro Series KZ1 and WSK Master Series KZ2 titles as well as the KZ World Championship, the KZ European Championship and the KF European Championship.
